

FREQUENTLY ASKED QUESTIONS

IS THIS PET INSURANCE?

No, it's not insurance - it's designed for everyday care.

Insurance is designed to reimburse you after an unexpected illness or injury. Our care plans are different—they cover the routine, vet-recommended preventative care your pet needs to stay healthy all year long. Think of it as a proactive approach to your pet's health.

WHAT IS THE IN-HOSPITAL CREDIT?

It's built-in peace of mind.

Every care plan includes an in-hospital credit allowance you can use for unexpected needs, like a sick visit or an urgent test. Even better? If you don't use the full amount, 75% of your remaining balance rolls over to the next year.

HOW DOES THIS PLAN HELP ME TAKE CARE OF MY PET?

It makes it easy to plan and pay for your pet's health.

With one predictable monthly payment, your pet's annual care is covered. That includes vaccines, exams, screenings, and more. Prefer to pay upfront? Annual plan payments save you an additional 5%.

WILL THIS SAVE ME MONEY?

Yes—especially if you're committed to your pet's health.

Our care plans bundle the services we recommend most—and price them at the best possible value. It's the easiest and most affordable way to give your pet a full year of high-quality veterinary care.

OUR PLANS ARE GREAT FOR:

- New pet parents looking for guidance
- Families who want predictable costs
- People who want to stay on top of preventative care
- Humans who love their pets (that's you!)
